

SUITE

```
graph LR; SUITE[SUITE] --> VPM[VectorProcessor::multiply_vectors];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'SUITE'. The right box is gray with a black border and contains the text 'VectorProcessor::multiply_vectors'. A dark blue arrow points from the right side of the 'SUITE' box to the left side of the 'VectorProcessor::multiply_vectors' box.
