

main

```
graph LR; main[main] --> authenticate[TestServerClient::authenticate];
```

The diagram illustrates a function call. A white rectangular box on the left contains the text 'main'. A dark blue arrow points from the right side of this box to the left side of a larger, gray rectangular box on the right. This gray box contains the text 'TestServerClient::authenticate'. Both boxes have a thin black border.

TestServerClient::authenticate
